TO MAKE YOUR VISIT MORE PLEASANT

- The Zoo is a 100 percent smoke-free/electronic cigarette-free campus. Thank you for your compliance.
- Please don't tap on the glass, make excessive noise, or harass the animals.
- Selfie sticks are not allowed on site during Zoo public hours and/or when animals are on exhibit.
- No climbing on barrier walls or in flower beds.
- Coins in water are harmful—please don't toss into exhibits, pools or streams. Instead, donate your change to a conservation wishing well.
- Zoo animals are wild—stay behind guardrails and do not feed them.
- Photography: you are welcome to take photos and video for personal use only; commercial photography is prohibited without written permission from our marketing department.
- Please understand that animals may be off exhibit due to adverse weather conditions, exhibit maintenance, or for health care, and that animals may be moved throughout the season. Thank you.
- This map is available at the Guest Services desk in Arabic, Chinese, French, German, Hmong, Japanese, Russian, Somali, Spanish, and Vietnamese.

- We are committed to making the Minnesota Zoo a fun and inviting place for everyone. If you have questions or need assistance during your visit our Zoo staff and volunteers are available throughout the Zoo.

TRAILS AND ATTRACTIONS

CENTRAL PLAZA

This lively and colorful outdoor gathering place offers shelter and shade, restrooms, food, and gifts. The **Splash Pad** and **Woodland Adventure**—a nature-themed playground—are open on a seasonal basis.

CROSSROADS PARK

Hanifi Family Wild Woods, a 30,000-square-foot nature-play area, is the perfect place to climb, dig, get wet, and discover the extraordinary wonders of nature. The **Conservation Carousel** features 56 animals from around the world. Tokens are available for purchase at a nearby kiosk. These features are open on a seasonal basis.

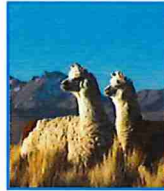

DISCOVERY BAY: UNITEDHEALTH GROUP MARINE EDUCATION CENTER

Meet Discovery Bay's endangered Hawaiian monk seals. Marvel at sharks, moon jellies and sea dragons. Touch sea life in an interactive estuary and tide pool, and learn how to protect the ocean.

LLAMA TREK

Discover your love for llamas and roam alongside animals of the Andes. A bit of South America has come to the Northern Trail. Open 9:30 am-6 pm daily from May 25 through Labor Day.

MEDTRONIC MINNESOTA TRAIL

Walking Distance: .1 mile
Enjoy a wonderful nature walk through the north woods among gray wolves, coyotes, river otters, and raccoons. A warm lodge provides a welcome gathering place.

NORTHERN TRAIL

Walking Distance: .8 mile
Stroll along a wooded trail featuring majestic Amur tigers, woodland caribou, and stately moose. You'll also see the rare Sichuan takin, Bactrian camel, and Asian wild horse. Camel rides are available for purchase on a seasonal basis.

RUSSIA'S GRIZZLY COAST

Walking Distance: .1 mile
Experience one of the world's last great wilderness areas. Enjoy the playful antics of sea otters. Get face-to-face with grizzly bears. Watch wild boars and catch a glimpse of the rare and beautiful Amur leopard.

TROPICS TRAIL

Walking Distance: .25 miles
Venture into the world of rainforest hotspots. Playful lemurs, inquisitive gibbons and a tropical reef teeming with colorful fish are just some of the amazing discoveries to make along this lush trail.

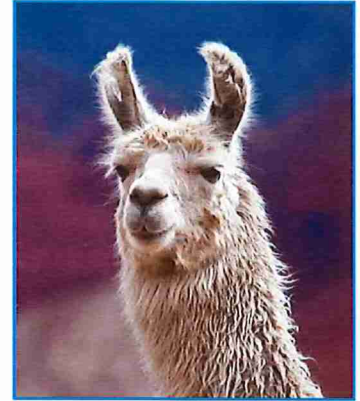

WELLS FARGO FAMILY FARM

Walking Distance: 1.46 miles
Catch a glimpse of the daily routine on a working family farm. Watch a cow milking demonstration. Groom and feed playful pygmy goats. Open until November 30.

WELCOME TO THE MINNESOTA ZOO!

The Minnesota Zoo connects people, animals and the natural world to save wildlife. Your visit supports the Zoo's efforts to save endangered species and their homes. Our 485-acre campus includes over 4,800 animals in ecosystem-based habitats and we're open 363 days a year. We hope you enjoy your visit!

SAVING WILDLIFE IN MINNESOTA AND BEYOND

The Minnesota Zoo is more than the perfect recreation destination—we're a leader in saving wildlife. We support and conduct conservation projects at the Zoo, across the State of Minnesota, and around the globe. We lead and participate in conservation breeding programs, coordinate successful conservation awareness and fundraising campaigns, conduct on-site programs to engage the public, lead international wildlife research projects, and are dedicated to operating with green practices.
